

The below table shows each of the 136 subdivision lots and the corresponding Queens Gap Construction Phase in which they were created. Each phase of construction is represented by a number of drawing sheets depicting the plats of the subdivision. Find your lot number in the below table and look to find your lot plat in one of the sheets comprising your construction phase.

Lots 1 through 30	Phase I	(2 sheets)
Lots 31 through 64	Phase IA	(5 sheets)
Lots 65 through 100	Phase IB	(4 sheets)
Lots 101	Phase IC	(1 sheet)
Lots 102 through 109	Phase II	(4 sheets)
Lots 110 through 132	Phase III	(4 sheets)
Lots 133 through 136	Phase II	(4 sheets)
